

 <b>ARIZONA ACCOUNTING MANUAL</b>	SECTION V-B	PAGE 1	DATE 04/25/07
SUBJECT List of Agencies Sorted by State Function			

A State (GAAP) Function is a group of related activities aimed at accomplishing a major service or regulatory program for which the State is responsible.

There are seven (7) State Functions currently in use by the General Accounting Office for financial reporting purposes.

<u>Function Code</u>	<u>State Function</u>	<u>Description</u>
01	General Government	Agencies that provide general government services to other State agencies or to the general public.
02	Health and Welfare	Agencies that provide health services and welfare services to the public.
03	Inspection and Regulation	Agencies that provide inspection and regulatory services to the public.
04	Education	Agencies that provide education services to the general public.
05	Protection and Safety	Agencies that provide law enforcement, military, custody and related services to the general public.
06	Transportation	Agencies that provide transportation services to the general public.
07	Natural Resources	Agencies that provide services retarding the natural resources of the State.
